## 12th Aachen Acoustics Colloquium

# CALL FOR PAPERS

Development and Research in  
Automotive Acoustics

**November 22 – 24, 2021**

Parkhotel Quellenhof Aachen, Germany

### Topics

Acoustics of Electric Drives and Hybrid Cars

---

Active Sound Design and Active Components

---

Drive Train Acoustics (Engine, Gearbox, Drive Shafts)

---

Infotainment in the Vehicle

---

Multi-Modality – Noise and Vibrations

---

Numerical Methods, Simulation, Virtual Reality

---

NVH Measurement, System-Analysis, Measurement Technology

---

Sound Quality, Trouble-Shooting, Sound Design

---

Vehicle Acoustics (Body, Mechatronic Components, Tire Road Noise)

Aachen is one of the most important centers for development and research in automotive acoustics. This year, the Aachen Acoustics Colloquium takes place for the twelfth time.

At this event, experts from research and industry will share their knowledge and discuss latest technologies in the fields of acoustics and vibration of vehicles and drives.

## Highlights

- 200 international experts**
- Play sound samples on stage**
- Technical Exhibition**
- More than 20 presentations**
- Additional Driving Event**
- Social Events**

Please submit your abstract proposal to one of the topics above on our website. Please notice that only new and unpublished papers can be accepted. The conference language, including abstracts and presentations, is solely English.

### Abstract Submission

We also offer the opportunity to place vehicles and prototypes as exhibits in front of the event location.

### Important Dates:

- End of April, 2021: Deadline Submission of Abstracts
- End of May, 2021: Notification of Acceptance
- End of July, 2021: Mailing of the Program Book
- End of Sept., 2021: Deadline Submission of Papers

### November 22 – 24, 2021 Aachen Acoustics Colloquium

### Registration:

The registration fee of € 795 (plus 19 % VAT) also includes a driving event and a welcome reception on November 22 as well as a banquet dinner on November 23, 2021. University staff receive a discount of 50 %. The participation for speakers is free of charge.

### Registration

### Exhibition:

Become an exhibitor and book your completed high quality booth, including booth construction, furniture and access to the entire conference for one booth supervisor.
